

## SAFETY COMMITTEE MEETING

July 10, 2019

Meeting was called to order at 9:30 AM

Present: Gio Cantarella, Steven Sayer, Allan Gersman, Randy Bennett, David Cohen, Lloyd Kramer, Jeff Dieter

Minutes of May 22 were approved.

Update on sign repair: One radar sign has been repaired, one battery is not working but will be replaced today. Second sign has been sent to Georgia for refurbishing. On July 3, it was found that 1021 passed one of the radar sites. Of the cars that passed 60% of those cars were doing in excess of the posted speed of 24 mph. Two cars were speeding at 54 mph. Action: Jeff Dieter and Committee

We will look at remedies to speeding at our next meeting in September. All members of the committee are encouraged to review previous communications regarding speeding.

It was also proposed that a sign at the Park Drive entrance be posted indicating that the Park Drive is a single lane road. Action: All

DronePolicy: Policy recommendation will be put forth at the next UPAC meeting

- no obvious flights in the park
- commercial agents have to register flights at the guard house
- Action: David Cohen

Washington Palms; Lloyd indicated that photos have been taken of any palms that might create issues in the future (blocking a road). These photos were submitted to the architectural committee. The committee refused to consider. We will consider next steps and set up priorities by doing a risk analysis. Will then "be back" at the architectural committee.

Action: Lloyd Kramer

Private Cart Registration Signage should be evident on all golf carts within the community. This includes carts that are used for golf and others that are privately owned and just used for transportation. Carts Action: Jeff Dieter and Gio Cantarella

New Business: Emergency access in Warwick- concern that vendors open the gate and then do not close that gate. Need to communicate that requirement to vendors  
Action: Jeff Dieter

CERT: Lloyd reported low interest at this time and we should be concerned regarding preparedness.

10:35 Adjournment

Next Meeting: September 10 at 10 AM at the Varsity Club

Action: Lloyd Kramer and CERT Members
